

November 28, 2017

The Page County Board of Supervisors met in session on this 28th day of November 2017, with Jon Herzberg, Chuck Morris, and Alan Armstrong present. On a motion by Armstrong, seconded by Morris, the board approved the agenda. Present from the public were John Van Nostrand, JD Kennedy, Heidi Carter, and Kris Grebert.

Kris Grebert met with the board to give a communications system update. The digital radio system update was discussed. The crews are working on the sites for the sheds. The generator will be switched to a propane generator for one of the towers, so they will all be the same. Motorola built a test shelter. Tusa has gone to Chicago to observe and make sure the tests are accurate. Grebert has been in contact with Southwest Iowa Regional Water. Grebert is close to completing his EMA classes. 2,200 sites will be tested in Page County when the new system is put into place, and 95% of the sites will have to pass being able to hear at the sites.

On a motion by Armstrong, seconded by Morris, the board unanimously approved the minutes for November 28, 2017.

With no further business, the Board adjourned at 9:45 a.m. and will meet again Tuesday, December 5, 2017.
